To the students and parents/guardians of the class of 2025,

Hello and welcome to Enfield High School! We're excited to welcome you back to school this year! We are hopeful that this year will be a return to normalcy, and be a memorable one for you as you continue your educational journey.

We are thrilled to announce that we will be having an in-person 9th grade orientation this year. We will be holding orientation over the course of two days, and dividing the freshman class into two. On Friday, August 27 students with last names A-L will come to Enfield High, and on Monday, August 30 students M-Z will come in.

Busses will pick students up in the morning and drop them off at the conclusion of orientation. The bus schedule will be available on our website prior to orientation, and an email will be sent out with bus stop information as well.

Orientation will run from 7:26 AM to 11:30 AM. At orientation, students will receive their iPads for the upcoming school year, meet our building administrators and district coordinators, and take a tour the building. 9th graders will also work with current student leaders, who will assist them with their activities throughout the day, and answer any questions they may have. We are also hopeful that students will be able to receive and become familiar with their schedules at orientation.

To sum up:

- Orientation for 9th graders with last names A-L: Friday, August 27 from 7:26-11:30
- Orientation for 9th graders with last names M-Z: Monday, August 30 from 7:26-11:30
- Busses will be provided to and from school both days
- Students may be dropped off between 7:15 and 7:26, and may be picked up between 11:35 and 11:45
- Masks will be required
- Lunch will not be served, but there will be a special treat at the end!

If you have any further questions or concerns, please feel free to email Mr. Murray, Dean of the class of 2025, at mfmurray@enfieldschools.org.

We look forward to seeing you in August!

Sincerely,

Matthew Murray Dean of Students Class of 2025 860-763-8835
