iPad Restore Instructions

- 1.Turn iPad off
- 2.Connect USB cable to computer. Connect the other end of the cable to iPad.
- 3.Be sure iTunes is open on your desktop (current version of iTunes is needed)
- 4.On the iPad, press and hold the Home Button and On/Off switch at same time until this screen appears:

7. You will see the screen below:

	Team Fr	nail	V Done	*	Extracting software	Po Browse Groups	Address Book
iew	Contro	ls Acc	ount Help				
					iPad		
	iPad						
	2		Serial Number: DMPXVZ8WJF8J		iPad Recovery Mode iTunes is preparing to restore the software on this iPad.		

8.Wait for the process to complete.

The "Hello" screen should appear. Continue the sign-in process with your enfieldschools.org email address.
