The Secondary Career Counseling program's mission is to build strong relationships with students, staff, and community members to connect students with job shadowing experiences, field trips, and career exploration opportunities. The Career Counselors will listen to, and fulfill, the career related needs of the student population by being visible and receptive members of the school and surrounding community.

Career Counseling Sessions:

At this time all **freshmen** should have attended a Career Center Orientation Session. All **sophomores** should have completed O'Net. All **juniors** should have had an individual appointment with a Career Counselor. Any **senior** who requested an appointment has met with a Career Counselor. We will continue to meet with any student who requests an appointment. Next Up: Individual appointments with sophomores!
