

Hello EHS Parents: Please follow the directions below to schedule an appointment with your child's teachers. Parent conferences will be held on two nights this year: Wednesday, November 10th, and Thursday, November 18th from 6:00 p.m. to 8:30 p.m. Each conference will be 10 minutes long, and, in order to make sure parents have sufficient time to travel to their next appointment, the system will not allow you to book appointments "back-to-back". If you do not get a scheduled appointment, please email that teacher directly to schedule a phone conference. The sooner you register, the better chance you have of securing a conference time. Because there are now two nights offered, please be sure not to book the same teacher for more than one conference. **All conferences must be set up prior to the deadline at 12pm on November 9th. All parents requesting a virtual conference will receive an invite from Microsoft Teams no later than 3 p.m. on November 10th. If you do not receive an invite, please email the teacher directly.**

Please email Mary Beth Lamagna at mlamagna@enfieldschools.org if you have any questions.

Appointment Date :: Wednesday April 20th, 2011

The calendar above displays the appointment calendar for four teachers, and shows various appointment times that are unavailable for booking. Parents can select appointment times by simply clicking the check boxes or by clicking in the time block beside the check box.

Appointments Booked Successfully

Once the appointments are booked the screen will display the list of appointments for the student. When the parent clicks on the “Return to Home Page” button, they will return to the home page with their students and their appointments listed. They can book additional appointments, or they can book appointments for another student.

Parents with More Than One Student

If a parent has more than one student at the school, the teacher appointment calendars will have an additional feature displayed when the second (or third, etc.) student bookings are made. If a sibling has an appointment booked, the student’s name will be displayed for a parent, thus making it easier to book adjacent appointments.

Printing Parent Appointment Schedule

Form the home page it is possible for you to generate a PDF document with the list of your appointments. By clicking on the “Print Appointments” button a window will pop-up asking the parent what they wish to do with the document. In Internet Explorer, it is recommended that people click the “Save” button, save the file and then click “Open” to view the file. IE sometimes has a problem downloading and opening PDF documents that are generated from web sites.
